

I am writing to urge to you to stop phone companies from imposing misleading charges on my monthly phone bill so I can truly compare prices of phone services. I support the petition filed by the National Association of State Utility Consumer Advocates and endorsed by other consumer advocacy organizations, including CU. This petition, CG Docket No. 04-208, Petition for Declaratory Ruling Regarding Truth-In-Billing and Billing Format, is long overdue. Although my long distance bill was only \$.57 and local calling is free, my total bill is \$30, one half of which is supposedly regulated charges. There is something drastically wrong here! Sincerely, Syb Carson 851 Mount Lucas Rd Princeton, NJ 08540
